# Stukent

**Audience:** Katy ISD Teachers

**Summary:** The following article will demonstrate how to access and set up **Stukent** from MyKaty.

1. Ensure student or teacher is logged into the computer as themselves to be authenticated correctly
   1. Visit the **multiple students sharing one device** article if experiencing any problems with multiple profiles
2. Log into **MyKaty** with your Katy ISD user credentials
3. Select the **A+ Textbooks** Folder
4. Click the **Stukent** tile and you will be Auto logged into your Canvas Dashboard, select your Social Media Marketing Course
5. You will then **log into your Stukent account** following their **instructions** to roster and connect to Canvas
6. Follow Stukent **instructions** to sync your Canvas assignments
